

## CUSTOM TEXT EMBROIDERY

A text logo provides two lines of up to 20 characters per line to identify your company name, your employees' names and departments. The line will appear in addition to any standard product embroidery, which may include a line identifying the protective level in cal/cm² of the garment.

### TEXT LOGO COSTS

An embroidery logo charge will apply to each application on each garment. Set-up charge is a one-time charge for each Text Logo.

- ☐ 1 – 20 text characters: \$10.00 per garment + \$5.00 setup fee per text logo
- ☐ More than 20 text characters: \$12.00 per garment + \$5.00 setup fee per text logo

## PREMIUM IMAGE EMBROIDERY

An image logo identifies your company. Use it to add prestige to your garment; for security to reduce pilferage; to comply with corporate marketing programs. The logo will appear in addition to the standard product embroidery, which may include a line identifying the protective level in cal/cm<sup>2</sup> of the garment.

### PREMIUM IMAGE LOGO COSTS

An embroidery logo charge will apply to each application on each garment. Set-up charge is a one-time charge for each Image Logo. Prices and Setup fees vary by the complexity of the artwork provided. Contact Oberon Customer Service for a specific quote.
