

TCG30 Series EZ Lift Arc Flash Face Shield and Hard Cap

Key Features and Benefits:

- Unique face shield design allows user to easily lift face shield up when pausing electrical work tasks
- Provides best-in-class protection from arc-flash hazards with an ATPV of 41 cal/cm²
- Durable polycarbonate window features an anti-scratch and anti-fog coating for optimum performance while working
- Patented True Color Grey (TCG) allows the operator to see all colors perfectly, including color-coded wiring
- Face shield design includes exceptional panoramic views with virtually no distortion
- Meets ANSI/ISEA 125 level 2 conformity, NFPA 70E, and CSA Z462 Arc Flash PPE Category 2 standards with an arc rating of 41 cal/cm²
